도래미파출라시도... 우리가 만난 건 운명이에요

'도' 다음에 '래'가 오는지 생각해 본 적 있어요?
'미' 다음에 '파'가 오는지 생각해 본 적 있나요?

없죠? 그럴 거예요.
그런 자연스러운 거니까요.
그게 제일 잘 어울리기 때문이에요.
'도' 뒤에는 '미'가 따라올 운명된 자요.

마치 우리들처럼...

작가의 말

안녕하세요, 이경하입니다. (H_성)

꽤 오랫동안 나오는 책이군요. (T_T)

내장을 그린 후 표지를 그려가면서 꽤 기간이 걸려서
그렇게 어색하게 보이지 않을까 걱정어 합니다.

2008년에 <XX>를 완결하고 바로 이 책을 시작해서
2년 가까이 작업을 하고 있는데, 중간에 문제가 생기서
원고가 중단 되었다, 다시 시작되었다를

반복하는 바람에 이루거나 책이 늦어졌습니다.

개인적으로는 연화 외적인 부분들에서 많이 알고

느리게 되었기 때문에, 꽤 괴로운 기간이었지만

결과적으로는 새로운 다짐들을 하게 되어서 좋았다고 생각합니다.

물론 아직도 고된 일이지만, 앞으로는 더욱 즐겁고
 열심히 일화를 그릴 수 있도록 하겠습니다.
 그러면, 분명 보는 사람들에게도 전달 될 거라고 생각합니다.
 앞으로 더 열심히 하겠습니다.
 그럼, 일단 허허모모 웃음만 보이지만,
 지금은 이것 이상은 보이지시킬 수가 없는 게 안타깝습니다.
 아쉽게 있다면 편자의 뽀글뽀글, 민파로 처음 접하는 분들도
 그저 편하게만 즐겨 주세요요!~

Part 1

질투하게 하지 마

Don't make me jealous.

She... may not ask
where we are
going?

During the fight
there was a girl
who looked real
pretty really.

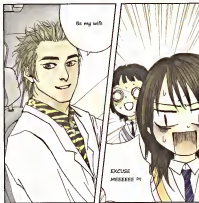

You may remember her
Big eyes, long straight
hair. You found her
pretty good. You can
do it my sister.

1/20/04

I asked her your name.
She probably thought
that I was going to
steal her car.

But that's not
what I was there
for.

Chae Hyum Lee
I am going to get
you for this!

NO!!

Open (heav) ?
Why are you
here ?

You brought
your dog sister

What's this ?
Why is she here ?

It's Kang Hui In's
world!

Mr., get out of my room!

As is going
Kang Hui In's has
a lot of conversations
in Jin Gwang's
school.

Ground ... ?
How would I
revenge ?
... There is one
who could do this

Oh... I thought
I could live off...
that was the only
one who could
revenge Kang
Hui In's ...

T.T

Again like
Jin Gwang.

The girl
who wanted
to see me.
The student
during the 1

Think, get
me the girl...
it's me!

He answered
the phone and
talked excitedly
until I called
him out.

Sag what? Sure?
Hahaha!

I can see him
laughing even
from here.
And, I am proud
him is doing well
from tomorrow.

Stop worrying
then. It's over.
Don't worry
about me.

Stop, hold this!

??

What's this?

A few years later, it was a long
time ago. She told me to
give it to a girlfriend if
I ever got one.

I tell you this now
I can be pretty
extremely ugly,
and I hate being
pretty. Because of you,
I am not even touching
other girls' hands.

Part 2
거짓말이 더 싫어
Lies lying more.

On that rainy day,
I am seeing a guy
who I don't even like
after lying to my life.
You have a good sister,
You're doing!

King Han Min? /
What is he calling? /
Don't dig? /

So, he doesn't want to listen.

Oppo (Don) is also called an relationships when it made it clear that it is friends.

Oppo I know him, Han /
From my middle school /
His eyes look like that.

Really?

In fact, he has /
opened. He is looking /
down at the table /
properly.

Really? That's /
interesting.

Oppo, let's move.

Already?

It's too fast /
to have.

Let me think /
don't think that.

He might really /
call Han Oppo /
He is that kind /
of guy.

12-18

Sorry... I feel
I have no choice.

Just feeling sorry
won't work.
I hate lying more than
having to feel guilty.

Yan Jiating later
I am sleeping you

Wow, something
good happened!
A group of visitors
at my school were
hospitalized!

Yeah?
Those who
bulled you?

My dad ...
you sure think
up?

It won't harm
what you'll
enjoy

I am understanding
why he gets angry
though. I mean, if
my bf was seeing some
ugly woman, I'd get
pissed as well

That thing that
he is not as fond as
the little one surface.
He wanted me to be
there for a while
to see my mind
left. He did when
my love is precious
or I am going

Stupid bitch,
don't bother with
that shit and go
grab some dips!

I am not gonna
apologize until
I feel better!

Joining Inno.?

You friend here
pretty well.

Does your sister live
here too?

Hope she lives
with her parents.

Wait,
sister was...

Who are
these?

Ahah, they
were those
who did your
favor.

Let go of my
grand child
- leaving him -
- leaving him -

It would, I think, have to be done through the

TAKE ME!

What do you
want me to do?
What do I have
to do to make you
disappear from
my sight?

Don't tell Elm Gya
anything.

Don't tell Elm Gya. He
knows that
he is my only friend now.
I am not going to let
you take him away from
me now.

You make me so feel
that I can't even sleep
at night with because of
you.
Just disappear from me
and I will do the same.

Now, get Jinyang
the cat and don't
bully my brother.

Then I will be gone
from your sight.

How Shu Shu Gao
and whatever.

Don't worry, grandma.
I got him out .
Your grand child will
be returning home
soon .

I had to pay
a price though.

Jonny wins !

You asked to
let him win, P

Don't stop -

I have
something
to tell you.

I was not going to
dump you.
I tried to forget
about you in that
night, but I could
not simply —

It was harder than
the fact that you had
to see, so I take back
what I said.

I also think that
I was the one to
dump you like that.
I am sorry.

Am I not
good? I
got over
in just a day.

But you see
—, I also have
something to
tell you
though.

I feel someone
— like to me.

You know the
dragon costume which
you hate the most.
I was in there.

What?

There is none.
I am going to
keep seeing him.

High ...

In fact, I must
live five more times
before you should not

Given ... he was
a cute guy who
I was starting to
get into ...

Here, the simple
maskless Jirong
him, doesn't like
to see it around.

Life is ... weird.
You do look much
better than him, but ...
I feel I like Jirong him
more than you ...

So, you are no longer
my boyfriend, and
I will no longer be
your girlfriend.

Good for you ...

Good for you, right ?
I will hug you a

Forget it ...
Distance of you
I ended up having
mis-acted love.

Jung Wm ?
Hag ?

He looked shocked
at first ... and then
he has gradually
darkened.
That was when
he told me ...

You Jung Wm,
are you serious ?

Are you kidding
me? Do you really think
all girls like you?
I said I like *strong* like *you* more!

The relationship wasn't
serious for me, that
was all!

What a bunch of
lies... I still have
no idea how I could
have said such

lies...

But you see
we can't be
together
Sooner or later,
if we can't be
together

As dense as

So, I am going to beat you for
10 times !

Don't make me laugh.
And returns that
10 girls since
I broke up with
Eun Gyo

Stop making
me think
about him,
dumb it.

Yeah ?
We are just going to
add Eun Gyo to the
list then.

10 x = what ?

1000원 짜리
餃子 10개, 1000원.

I can't take
them in this
condition.
I gotta run.

Oh, Jeong Eun !

me after she sent

when he said
"Friend?" ...

Did "Friend?" mean that I
was his secret confidant
because of his first love
as a friend? ...
Did his father say words

Who, big sis?

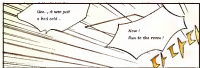

Hi, hello, Mom ...

What are you so
shaky about ... are
you ill?

What...

Wow ... it sure paid
a hard toll ...

What?
How do the roses?

CLASH

You, Ja Young!
Get back here!

Oh, if they are
guys from my school

Hang Ho
with ...
he's in danger

What?

What are you
talking about?

Continue
... Please

Do you also know that
he invited her out for a
birthday party and
kissed her so much that
she went hospitalized.
3 years ago ?! Why
do you think I was
with her on that
night when you
were not ?

Yes
It's Owing !
Stop making
me more
uncomfortable !

Fuck ...

Then, after all
these events, will
you feel the
kindness that
she had at one of
her friends.

what the hell
has she done wrong ?
"Learn to trust
friends" ? I tell you that
IT IS HER WHO WOULD
TO LEARN THAT !

No... it was my fault.
I reported his father for
Hit & run...
I reported my friend's
father to the police.
Go back to him.
You are the only one
he has left...

...He?

Her Wen...
He is hurt, very
much hurt. If you
leave him... who
will be left on ?

I lost my parents,
brother, Youshi,
and more... but he
has no one... but
you... Please...
don't come back
to me...

Don't stop... let
go of me and
stand still
I left here quickly
and left the
hospital

Everything, I think, seems the part of and of everything else that's been going on.

I left...
"everything"
behind...

Thank you
for leaving

Did I look
cool?

Yeah,
okay

But this is it? I
nothing
changed.

It feels light
inside though,
doesn't it?

I forgot that I
forgot him. I

You are
a man. You

I was finally able
to come home.
My mother wanted
me to stay at the
hospital, but
de Guey
made it happen.

I was about to
go sleep when
someone called
me.

Big, as I
help I
help I

What ... ?
What's wrong ?

Gun, Gun, open
and the two eyes
are fighting !
They are fighting
while crying and
keep calling out
your name !

Let them in ...
They will
manage
somehow ...

But
big as I

... I
know it,
You Jiang
said !

That was Dan Qian's
voice ... He was
crying instead ...

Ja Guang !
I want to go out
Don't lock the
door !

What ?
Again ?
What are
you going ?

Sorry, Ja Guang
it doesn't look
like I can shake
them off easily

When I arrived at the park that night, I found Eon Gye leaning his back against a large tree.

Eon Gye -

What's wrong with your face?
Why did you do this?
Are you alright?

Why ...? Why?
Aren't you her friend?

Jeong
Min -

Be by my side.
Please just be by
my side.

I can't think of anyone
without you ...
Just be by my side.
Please just be ...

No

?

Please listen ...

Let's stop this.
This is the thing
the friends agree
you can
stop harvesting
young trees ...
Stop that ...

... and

After today ... ?

Can't I be with
Eun-jiye ?
Can't you just
forgive me ?

Then Jaewoong tells ...

Part 5

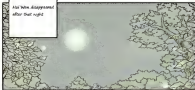

내 옆에 두고 싶어

I want to be beside you

by my side

His 'bun disappeared
after that night

He didn't appear
at his school,
and I couldn't find
him at his home
either

Some of our friends
claimed that they saw
His 'bun in disguise,
at Elm City and I looked
for him for over half
a month, but we could
not find him

I remember what
and how he is
doing after
disappearing like
that .

She acts really well
with her appearance
She ate everything
It seems good to
her.

How old he got
a girl who's a
year older than
him? Good job,
dude

Then Jinyang tells
you to remember
me, don't you?

What?

Do you
remember
Kang Hui who
was your
old friend?

What?

We must separate
I am sorry
I am... deeply
sorry

You ... hate me
so much, don't you?

Hag, Hag,
Bark.

Isn't that Jo
Gwang's older
sister?

Ah?

You are right, Hag., isn't that —
talking to the with Kang Hui-bom?

I ... want to
smile again..
Jenny tells.

Do you remember this spot ?
This is where we used to
come here often. You often
used here when you had
hard times.

I'd always find
you here crying
alone. Then I'd
go and try to
convince to stop
crying.

Memories that
make me smile.
Memories that
I was happy

My all related
to you

If you turn your
back to me ...
there will be nothing
more left for me

He also said that had
he tried to forget what
he had done to me.
But he told to me to
forget about what he
had done to me.
He also said that had
try to forget what I had
done to him.

I wasn't against the
idea. In fact, I was
glad that he came
to his senses and
was willing to come
back to me.

But I wanted to be friends
rather than a couple.
After trying to convince
me for a while and failing
to do so, he brushed a hand
across my face and left.

The chance our
trip is ending
and we can't
spend time well
without you.

Has been Open to
our love. I didn't think
he'd disappear just like
that. I was disappointed
in him.

... it must be
hard for him
now.

Well, everyone in
the crowd is going
through their share
of hardships.

Don't say that
it may be possible!
You don't know
do you?

Ah...

.....

I am sorry
big sis.
I will watch
my mouth
next time.

Oh...
Thank you.

My voice isn't as loud
and even better
sometimes because
I hated my pig.

Let's do it once
more.

Yes, but I
don't know how.

During lunch, my
classmate childhood
friend is going to
visit me tomorrow.

Come to my house
after school.

Childhood
friend?

My sister Gao Gao --

I don't know what
you are thinking.
You know, that I am
not going to see you
at a professional studio.

So, you are Han

has been
having an affair
here.

Give me a break, man.
This is the Asian name
I told you about her.
She does keyboards

She has got a
really matured
style.

Hello.

Ah, man,
Jeong Woon
was the first
but right,
it's not.

Really?
How bad is he?

It's not that
bad. He should
be that soon.

I guess you don't
know what is going
on, seeing that you
are covering for
that brat!
Another one like
me, I guess!

Okay, holding
it makes you
look sleepy too.

Hey, Shin Eun Gye!
Don't you have any sort of pride
and dignity? Your girl is playing with
you while she has that love!
Aren't you disgusted?!

Must you ever have to
be a brat?

Why can't you
explain me
anything ?

After hearing what
she said, can't you
explain ? Can you trust
me just like that ?

How trust me, do
you not ?

Therefore, I trust
you do wish to return.

When, about the
time a person?

There are 4 days left
I can keep his trust
for 4 days

Even if... I trust you
Perhaps, I trust you
more than you
trust me

Even after promising
that I'd be with you when
I was still in thinking
that it will not be over ...
How long will I live ...

Running to the end

*It says until the D-day
I used to be peaceful
before after school
as if it was my daily
routine.*

*And then, I was hearing
the voice of that
South Asian girl.*

She wasn't actually a South Asian. She was Korean, but she had physical traits of one.

*Oh, Kim Gye - You avoided
that part. Being peaceful
is good. But if it is too peaceful,
it will become...*

*Your dark face is
beckoning more than
anything else. What is
her purpose for her
being angry?*

*Then Kim Gye !
Let's go out !
Let's go !*

I don't know
what the hell is
wrong with you, but
stop staring me
I have girls. I want to sing
in front of a crowd and

You are at fault this time
Do you know how long I've

The best you can do
is support him and cheer
him up. But you are doing just
the opposite! I gave up on him
because you, big sis!
Make him happy, big sis!

Help him to keep
that bright smile
off his face ...

What a weird day -
I wanted to make
Eun-yeon happy and
smiling but not ...

Ah, So Hyeon was

We are still having a
cold war after he found
out that I made his team.

Just whatever,
dark ...

His last sentence
sounded so real.

I was also saddened by a
fact that he referred his lips
as "another part"...

Managed to leave
to buy drinks.

Why don't

flavor milk?

What are you buying
two cans for ~?

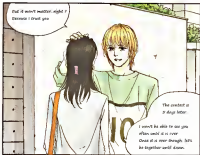

You ~ You ~ ?
You still have it

Of course !

Is that ?

Don't tell me that you
are serious ?

Well, I guess I will
never be able to
talk more ...

Sorry this late,
but I have to see
this. Can you

two with me to
prepare for this —

A note about "South-Asian" comments made by Jang Joon-ho down. (See the bottom for a correction)

In Korea, Asian people (There aren't many, but I do remember them from time to time) have a tendency to look down on other Asians, namely Japanese (Due to Korean war), Chinese (A long history), Vietnamese (Remember their country is "poorer" than Korea), and such.

In reality, it is unlikely that a young person like Jang Joon-ho realizes weight of the comments made by her. The sweeping trend is originated from a racist trend. Korean farmers are hostile to many Asians, women hate Korean women, do not want to marry foreigners. As a result, Korean farmers end up breeding "useful" males from other, - poorer - countries.

[Note]

It is safe to assume that over 90% of Korean farmers are married to "South-Asian". This is where this trend is supplied more.

This is also creating another very disgusting term "Half-Koreans".

Though these "hater" will make sure not to reveal that their mothers are not from Korea.

The character, Iru, has darker skin which is the primary physical trait of South Asians, and she is also from Chongju (A somewhat remote region). It is quite possible that Iru is born from a Korean father and an East South Asian mother. (Note that, this is purely my assumption.)

It is unlikely that the mother did want the disreputable term when she made Jang Joon-ho the same. However, who knows.

Scanned, Edited, and translated by Klisis @ JanimeS

In many countries, such a term (or two) exists. Japanese may refer Koreans as 朝鮮人 (Chōsenjin) when they despise them. Americans may call Japanese "jap" when they despise them. These two are just tip of iceberg, I suppose.

"Are you an old 3?"

P.S.

It is name of a correction. Though I've translated it as "South-Asian", the most translation is "East South Asian".

In Korean, it is 3월 (East South Asia - it may also mean East South Asia depending on how it is used in a sentence.)

While we are on the topic, let me introduce you - the two most offensive terms - which Koreans and Japanese have.

I personally do not recommend reading it, but should you want to proceed to the next page

## - Unnecessary info -

For Japanese, the most offensive word they may use to call Koreans a "Chosonjok"

### 朝鮮人 (Chos-on-jin)

Technically, this is not an offensive word by itself because what this word means is "Korean". Chos-on is Japan in Korean which means Korea. Before Korea was called "Korea", Korea was called Joseon.

As I said, by itself, it is neither an offensive nor a derogating word, but because that word was used to call Koreans when Toyotomi Hideyoshi ruled Japan, it became the most offensive word which Koreans would hate to hear from Japanese. (Toyotomi Hideyoshi wanted Korea as *one* you don't know)

However, only native Koreans should know this word. Those Koreans who live outside of Korea (cultural influence) are unlikely aware of this word. However, just because I stated so, don't go out and trying this word on trying Koreans you encounter. If one of them is aware of this word, you will be guaranteed to piss off the person pretty seriously.

For Koreans, we also have a word that we may use to refer Japanese when we hate/love it is " 倭寇 ".

**倭寇** 이 This one should be hard to pronounce for non-Koreans. It is pronounced as something like - Chuk-Bal-i

What this word means literally is a pirate who walks like he has one leg. However, this word is often, and mainly, used to refer Japanese.

This word was originated from Joseon era, especially during Toyotomi Hideyoshi's invasion. Since Toyotomi Hideyoshi had a nickname - 'Monkey', Koreans used 'Chuk-Bal-i' to disrespect him. This word became the word to generalize Japanese in our current era.

I am not a Japanese, so I am uncertain if Japanese can understand this term or even are aware of it, but I am certain that Japanese with a little historical interest regarding the relationship between Japan and Korea would know this word.

In other words, don't go out there and start calling Japanese 'Chuk-Bal-i' as you will be pretty much guaranteed to piss off the person very, - very -, badly if the person understands the word.

Again, don't go out there and use those words.
